Nippon india Mutual Fund
Wealth sets you free

*You can open your Nippon India Mutual Fund Statement of Account by entering any one of the following information, in the priority mentioned below:

- The Permanent Account Number (PAN) of the first holder/Minor in CAPITAL letters as password. For example, if the single/first holder/Minor PAN in the folio is updated as TMRWZ0951U, then your password will be TMRWZ0951U. If the PAN of the Minor is not updated in the folio, then please enter Guardian PAN.

- If PAN of first holder/Minor/Guardian is not updated in the folio, please enter your City Pin Code as mentioned by you in the application form. For example, if the Pin Code in the folio is mentioned as 400021, then your password will be 400021.

- If neither PAN nor Pin Code is mentioned, then you need to enter your Folio Number. For example, if the folio number is 123456789123, then your password will be 123456789123.

Please ensure the following, while opening your statement of account:

- Please ensure that the PAN / Pin Code / folio number entered by you is correct.

- There should be no space or special characters while entering the aforesaid information.

- Your system has Internet Explorer version 6.0 or above.

- Your system has Adobe Acrobat Reader 6.0 & above version
